

## Huggins Hospital Parking Information

### For Outpatient Services ~ Monday through Friday 8 AM to 5 PM:

- Outpatients arriving for Day Surgery, Women's Health, GYN, Cardiac Stress Tests, Customer Service or Financial Assistance, please park in the Main Entrance Parking lot on the South side of the Hospital, marked A on the map. The access is through the Main Entrance of the Hospital.
- All other patients arriving for Out Patient services, please park in parking lots B & C. The entrance is located between 220 and 224 South Main Street. The access for services is through the Medical Arts Center entrance only.
- All Out Patients who may need additional assistance and are entering through the Medical Arts Center, Concierge and wheelchair service is available from 8 AM to 5 PM Monday through Friday to provide directions and assist you with your transportation needs.

For all Out Patient services entering through the Main Hospital Entrance, wheelchair assistance is available throughout the hospital on request.

### For Outpatient Services ~ Weekends & Holidays:

- Patients arriving for all Out Patient services, please park in the Main Entrance Parking lot on the south side of the hospital marked A on the map.
- Please access all Out Patient services through the main lobby of the hospital.
- Registration is located in the Emergency Department on weekends and holidays.

### For the Emergency Department

- Ambulances will enter at the Emergency Entrance and deliver patients to the Emergency Department Canopy area. Please do not leave vehicles unattended or parked under the canopy after loading or unloading. Vehicles will be required to back out of the canopy area.
- Emergency Patients arriving by car will enter the Emergency Entrance, whereby Concierge Service will be available to provide patients with assistance to the Emergency Department Entrance Monday through Friday 8 AM to 5 PM.
- Emergency patient parking will be available along the wall of the three-story building with additional space available at the top of the parking lot.

### Hospital Visitors

Visitors should park in the Main Entrance Parking Lot on the south side of the hospital and enter through the Main lobby of the Hospital.

*Please note that during construction, all hospital services will continue to be available.*
